

IO-Link

IO-Link Communication module for valve manifolds

- IO-Link 1.1 Class B or Class A
- Short-circuit protection
- Up to **24 coils** connection
- **Open-circuit coil** diagnostics
- **Overload** diagnostics
- **Missing power** diagnostics
- **Under voltage** diagnostics

Part No.	TCXLK
Auxiliary power supply	1 x M12 - 4 pins male (port class A) 1 x M12 - 5 pins male (port class A/B)
Diagnostics	Optical, Primary
Capacity max I/O	24 coils
